**REQUEST MADE, PROPOSED USE, LOCATION:**

Petitioner, who is also the owner and represented by attorney Stuart Boehning, is requesting a rezone with commitment from R1 to R3W for a lot located at the northwest corner of Lindberg Road and Salisbury Street, commonly known as 600 Lindberg Road, West Lafayette, Wabash 7 (SE) 23-4. If rezoned, petitioner intends to apply for a special exception from the ABZA for an adult day care operation (SIC 8322).

**ZONING HISTORY AND AREA ZONING PATTERNS:**

This site and all surrounding land is zoned R1, Single-family Residential. The closest non-residential zoning is to the west at the corner of Northwestern Avenue and Lindberg. There have been no recent rezones in the area.

**AREA LAND USE PATTERNS:**

A single-family home is located on the subject lot; uses to the north, west and south are single-family. A church is located to the east across Salisbury as well as southwest across Lindberg Road. The West Lafayette Community School Corporation owns the building southeast across the intersection of Lindberg and Salisbury Street.

**TRAFFIC AND TRANSPORTATION:**

Traffic counts taken in 2013 along Salisbury show that an average of over 14,000 vehicles use this road daily; counts taken in 2010 along Lindberg Road show an average daily traffic count of nearly 6,000 vehicles. Per *The Thoroughfare Plan*, Salisbury and Lindberg are classified as urban secondary arterials requiring a 40' building setback. West Lafayette will be working on the traffic signal at this intersection and road construction of Salisbury north of Lindberg is underway.

The site is currently served by a residential driveway cut on Lindberg Road. Any change in land use will require new driveway approval from the West Lafayette City Engineer's Office.

**ENVIRONMENTAL AND UTILITY CONSIDERATIONS:**

City utilities serve the site; no buffering is required between R1 and R3W zoning.

**STAFF COMMENTS:**

The site in question is located in a residential area, but is also at the intersection of two busy streets within that residential area. Two of the other four corners have public and/or quasi-public uses (a church and a school building). Petitioner is requesting R3W zoning in order to apply for a special exception for an adult day care center. These centers are permitted by right in all of the commercial zones but permitted in the R3 and R4 zones only by special exception.

Typically staff would not recommend in favor of R3W zoning in an area dominated by R1 zoning. However, in this instance, petitioner has attached a commitment to this rezoning application limiting the use of this property to an adult day care center. The submitted commitment states "The only use permitted on the Real Estate shall be an adult daycare (SIC 8322). No other uses otherwise allowed in the R3W zoning district, including multi-family residential structures, shall be permitted." Given the location of the property at a busy intersection and the public/quasi-public uses on 2 of the other corners, and the residential nature of the proposed use, this request is supportable.
